Karla James (above left) and Demmy Blaze have simlar boobs and styles.

DEMMY BLAZE AND KARLA, HITOMI AND LILY MADISON

Dear *Voluptuous*,

Demmy Blaze's pictorial was the highlight of the July '17 issue despite not showing her pussy again. Yes, she's good enough to not show her pussy, as much as I would like to see it. She is the most conservative and prim and proper model of today, just as Karla James was in her time of modeling.

Demmy and Karla have so much in common. Two of the cutest models of all time with some of the best naturals that make up for the fact that they don't show pussy. The same could be said for Leanne Crow. Their faces, bodies and boobs make up for not showing pussy. But we've heard from readers who've praised these models for not displaying their private areas. I think every model has her own agenda when they enter their career. Some will show pussy, a couple here and there won't, some will spread their pussies, some will do just the open-leg shot. Different strokes for different folks.

Besides Demmy, there were a couple of others who got my attention, too, such as Dulcinea. Cute face, small but pouty blow job lips and noticeably darker hair than she had before, too. And, wow, she loses 50 pounds but keeps her double-Hs. How impressive! The Dulcinea of this issue has finally caught my eye.

Milly Marks debuts and also gives a special interview. Another dark-haired brunette. The dark-haired brunettes have taken over, it seems.

British-American newcomer Aurora Rose also caught my eye. However, she's living in the wrong city. She should be living in Baltimore so I could have a better chance of meeting her. Baltimore is a small town, so I could've run into her and let her know that I've seen her in *Voluptuous*, do some flirting and possible get the digits from her. That would be a fantasy-turned-reality.

Nice "Hourglass Beauties" segment you had, also. I was a little surprised to see Linsey Dawn McKenzie in it, though. Don't see where she was all that curvy. Now Karina, Karla, Janet, Sha, Lily, Cherry, Vanessa and Sophie definitely deserved to be in it.

Two of my beloved fantasy girls gave us a lezzie scene: Hitomi and Lily Madison with Lily portraying herself as the dominatrix and Hitomi as the naive chick. I never knew Lily could play such a role as an alpha female chick, but she did. Lily looks almost gothic except she's not wearing any black. Hitomi tries to get aggressive with Lily while Lily's just sitting there minding her own business, but the tables turn quickly as Lily suddenly grabs Hitomi by the bra strap, saying, "I'll show you who the dominate female is." Hitomi quickly gives in.

I think Hitomi is the best topless-only model of all time I would love to eat both models' sweet, succulent, barely scented pussies.–S.M.,
Randallstown, Maryland

Milly Marks shows how she keeps her tits milky and creamy.

MILLY IS FOLLOWING IN FELICIA'S BRA STRAPS

Dear *Voluptuous*,

My god, everything about Milly Marks (July '17) is incredible! I know it's early, but I think I know who the Newcomer of the Year will be for 2017.

As amazing as Milly's body is, I can't stop looking at those beautiful eyes. She is great. She knows how to present herself, popping those pretty titties just right. Her hips, belly and thighs are

really amazing, too. Milly's incredible figure reminds me so much of Felicia Clover. Hopefully, Milly does as much, and even more, than Felicia did.–Andrew, via email

Dear Andrew: How much do we love Milly? Well, this is the third consecutive issue in which she's appearing. Milly's first boy-girl with a real cock begins on page 88 of this issue. Of course, in the July '17 issue, she went tit-to-tit and pussy-to-pussy with Codi Vore (another great newcomer). So, Milly is well on her way to doing as much as Felicia did and more. How much more? Her first threesome with two guys is in the movie SCORE Threesomes 4 *and her first anal scene–yes, you read that right!–is in* Busty Anal Sluts 4. *Both movies are available on page 99.*

EMMA HAS LOTS OF PLACES TO BURY YOUR FACE

Dear *Voluptuous*,

I have wanked to Smiley Emma (July '17) before on her webcam, but, damn, she is so much hotter getting The SCORE Group treatment. I may not go out all weekend. Sign me up for nose burying duties!

I am absolutely smitten by Emma. What a stunningly beautiful woman. Perfect in every way from her beautiful smile to those huge, soft flesh pillows that are big beyond belief. Thank you, Emma, for sucking on your nipple and showing us your hairy pussy. Thank you for not shaving your pussy. Unshaved pussy is what real men want.

I can't wait to see what Emma does next at TSG.–V.G., via email

Dear V.G.: Emma returns in the issue of XL Girls *that's at newsstands now. It's the Fall 2017 issue (SP322), and it features a stunning pictorial in which Emma gets her tits and pussy out with the skyline of Toronto, Canada clearly in the background. There's also an interview in which you'll find out all about this down-to-earth beauty from Western Canada.*

WHO ARE THE BEST SHORT 'N' STACKED V-GIRLS EVER?

Dear *Voluptuous*,

Loved Milly Marks' July '17 interview and her absolutely gorgeous, sexy body. She's going to win awards with

With the Toronto skyline in the background, Smiley Emma shows her brickhouse body.

Hitomi and Lily Madison enjoyed an encore in the July '17 issue.

Voluptuous. You could start a new mag, *Short & Stacked Tits*. Everyone is five-feet tall or less with huge hooters.

Milly has a perfect body. Obviously, God spent extra time on her and gave her 1,000% gorgeous, sexy beauty. –E.T.P., via email

Dear E.T.P.: We don't know if we could regularly fill an entire magazine with short 'n' stacked babes, but it sounds like a great idea for a special pictorial. Readers, who are your favorite short 'n' stacked babes ever? Tell us! For the sake of this discussion, let's consider short to be 5'2" (157 centimeters) or less. Milly is five-feet tall.

RED-HOT STRAP-ON ACTION WITH TWO OF *V-MAG*'S BEST

Dear *Voluptuous*,

Hitomi and Lily Madison together again (July '17) made me very happy. Hitomi is my favorite Japanese model and Lily is becoming one of my favorite *SCORELAND* models. I hope there is a Part Three with Lily licking Hitomi's pussy and fucking her with a strap on.

Please, Hitomi, show us the pink now that you are showing the brown… the brown-eye, of course.–A.L., via email

What a pair of watermelons! We mean Roxi Red's!

SHE WENT ALL THE WAY AND TOOK IT TO THE ANAL LIMIT

Dear *Voluptuous*,

Roxi Red's first anal scene (July '17) is almost like piling on. I, and I'm sure most readers, would have been very happy from the outset if all this goddess had done was tit-fuck a guy on-camera. Those tits were made for fucking. But she went all the way, and now she's taking a cock up her ass. Personally, I don't know if I would ever get past her tits if I was lucky enough to be with her. I'd blow my load on those massive mammaries so fast, she'd have to remind me that she even has a pussy.

The anal sex photos in this layout are very good, but my favorite photo is the one of her sucking cock while looking into the camera while her tits rest on her thighs. How many girls have the boob power to do that? Very few, to answer my own question. If I were that guy, I would've said to Roxi, "I appreciate the blow job, but please let me place my hard cock between your tits." Roxi looks like a pleaser, so I'm sure she would have said, "Okay."

I can never get enough of Roxi. I think Roxi and Rachel Raxxx together would be the greatest black-and-stacked huge floppers scene of all-time. Just put them with a guy who has the biggest cock you can find and watch it disappear between all that boob flesh.–J.R., Elgin, Illinois

Dear J.R.: Good idea. And we could throw in Miosotis and Maserati for good measure, too. And maybe Kristina Milan. And Marie Leone.

But let's talk about Roxi. Her first anal scene is featured in the new movie Busty Anal Sluts 4, *available on page 99. Or you can see it right now at* eBoobStore.com. *That's the place to go when you don't want to wait another minute to see your favorite big-tit movies and mags. You can download them right away to your computer, tablet or smart phone.*

nal! Here's hoping for more of this stunningly beautiful, luscious woman. Those tits are to die for. I've been hard for more than four hours. You don't need Viagra with her around. Thank you, Alaura!–Anonymous

Dear *Voluptuous*,

Alaura's nipples have become dark and mysterious and more enticing. I am a lactation fanatic and would love to see some creamy milk being squeezed out of her beautiful udders and ripe, thick nipples. You weren't lying. That was definitely worth the wait! –member_2512154

Dear *Voluptuous*,

Expectations exceeded! Alaura is our dream girl-next-door. I hope she knows how much we adore her and how incredibly gorgeous she is. I would marry her in a heartbeat.

Spectacular, fantastic. It's hard to find the right word to describe what we saw. Eagerly waiting to see what Alaura has planned for the future. –Bob, via email

Dear Bob: We're happy to report that Alaura has more surprises and treats in store for us. Those huge naturals and that sweet mouth deserve to be fucked more than once. But will Alaura go all the way?

FROM HIS MOUTH TO OUR EARS: BIGTITHITOMI.COM

Dear *Voluptuous*,

Holy shit! Lily Madison and Hitomi (July '17) belong together! Can you not do an "East Meets West" theme every issue as a running theme with maybe different scenarios?

Hitomi must be the prettiest, sexiest, most-erotic woman on the planet. That face, those curves and those phenomenal boobs…OMG! I just can't get enough of her. Why hasn't she opened her own site?–B.P., via email

Dear B.P.: Actually, Hitomi does have her own website. It's called BigTitHitomi.com, *and it's part of our Big Boob Bundle* (BigBoobBundle.com). *The Bundle, as we like to call it, includes 36 big-tit sites for as little as $13.33 a month (and we're regularly adding new sites). Non-recurring memberships are available for this incredible value that also includes sites devoted to Ashley Sage Ellison, Arianna Sinn, Kelly Kay, Kerry Marie, Lorna Morgan, Karina Hart, Christy Marks, Leanne Crow, Karla James and many more greats.*

BECAUSE A V-MAN CAN'T EVER GET ENOUGH CURVES

Dear *Voluptuous*,

The "Hourglass Beauties" special in the July '17 issue was a great idea. Whoever came up with it deserves a promotion. To me, hourglass figures are what *Voluptuous* is all about and what the word "voluptuous" means. There's nothing more feminine than curves. Women have them, men don't, and it's one of the things that makes them special.

Kudos for a great selection of girls. Opening with Karina Hart was a stroke of genius (no pun intended) because she is, to me, the ultimate hourglass beauty, and that photo was like a symphony of curves. Perfect!

Vanessa Y. might be a close second when it comes to hourglass figures, as the photo of her proved. Cherry Brady also has an hourglass figure like few others while Sha Rizel proves that it's possible to be very thin and curvy. Of all these girls, she might be the curviest of all from the front, but I prefer a girl with a little more ass, like Cherry.

I know you had limited space, but there are two more girls who could've been in there: newcomer Codi Vore, who's a bit more on the plump side than some of these girls, and Terry Nova, who's more *SCORE*-like but very curvy in many photos.

I think this could become a regular feature.–J.S., Melbourne, Florida

Codi Vore (above left) and Terry Nova show off their hourglass figures.

Dear J.S.: There's no need to give a promotion to the person who came up with this special. It was John Fox, who's already our president and CEO. Can't go any higher than that!

By the way, here are photos of Codi and

A reader's portrayal of Danni Lynne. Now that's a real masterpiece!

Terry. We agree: They could've been included and would have been if not for space restrictions.

DANNI: A WORK OF ART IN MORE WAYS THAN ONE

Dear *Voluptuous*,

I was looking at a back issue from last summer and was inspired to paint a portrait of the sensual Danni Lynne (July '16). Wow! She really has it going on in a sexy way.

The interview was informative. Her replies offered a clear insight into her background. There is no way she is going to be missed with her smile and mountain-range breasts.

I hope you consider printing my portrait.–C.W., Toronto, Ontario, Canada

Dear C.W.: Very nice work. Thanks for sending it along. As usual, we encourage any readers with a creative touch to send along their artwork of their favorite V-Girls.

THROUGH THE YEARS, HIS RELATIONSHIP WITH *V-MAG*

Dear *Voluptuous*,

For as long as I can remember, *Voluptuous* has meant a lot to me. There have been times, such as a breakup with a girlfriend or losing my job, when I have been really down and the V-Girls have given me the pick-me-up I needed. You're probably laughing about that line, but I'm not just talking about my cock. The V-Girls have been a source of inspiration, joy and love because of their beauty and their positive outlook on life.

For me, it all goes back to when I saw my first issue of *Voluptuous* on the newsstand. I think it was 1997 and Cathy Patrick was in the magazine. At that point, all those rags–*Gent*, *Juggs*, *D-*

If you love hairy pussies, have we got a girl for you!

We know a lot of V-mag readers love hairy pussies. Well, the new issue of Naughty Neighbors has a young girl who might not be super-busty, but she sure is super-hairy. Her name is Vanessa Scott, and, as you can see, her pubic hair is overflowing her pussy and growing down her legs.

See eight pages of this hirsute cutie and many more girls-next-door in the November '17 issue of the No. 1 amateur magazine in the world. Pick up your copy wherever you buy adult mags, or get the print or digital versions online at eBoobStore.com.

SISTER, SISTER!

Get ready to meet our first stacked siblings, the Stars!

We've had V-Girls who had busty sisters. We had a V-Girl, Kelly Kay, who had a busty mother who posed for us, too. That was Jane Kay.

Over at *SCORE* magazine in the 1990s, a pair of busty sisters, Toppsy Curvey and Lulu Devine, made international headlines for their antics with Major League Baseball players.

But here at *V-mag*, we've never featured naturally stacked sisters, never mind sisters who posed in our studio at the same time.

But we have now. Their names are Erin and Helen Star, they're curvy and stacked, and they're real-life sisters… and we have the passports and birth certificates to prove it!

That's Helen on the far left. Her debut pictorial begins on page 29. That's Erin on the near left. Her pictorial begins on the next page. They're cute. They're super-busty. And can you imagine what it would have been like to have grown up in the same town as these sexy siblings?

That town, by the way, is Rosiore de Verde, a small city in southern Romania, and it's now on the big-boob map in a big way.

Funny thing: We asked Erin if she was the bustiest girl in her school, and she said, "No."

And then she smiled because the bustiest girl in her school was her sister. Erin wasn't even the bustiest girl in her household! But now they're V-Girls, and there's no sibling rivalry. Enjoy the sisters, boob brothers!

ERIN STAR

BUSTY SISTER ACT, PART ONE!

Our first busty sister in this issue–hey, we've never said that before!–is an H-cup hottie and Helen Star's younger sister. She's from Romania, a country that has been turning out more than its share of busty naturals (and is the home country of all three newcomers in this issue). "This shooting was my first one in my life," this bubbly babe said. "It was the most-fun time I've ever had. It was very professional. Everyone on the photo staff was so nice."

It was nice of Erin to say we were so nice, but wouldn't you be nice if you were looking at her? Erin and her sister (who was watching while these photos were being taken) were brought to our attention by *XL* Girl Mia Sweetheart. We dispatched a photographer, and the rest is big-boob history!

Erin, who also debuted in the October '17 all-naturals issue of *SCORE*, enjoys hanging with her friends, singing, going to the movies (she loves horror films), romantic dinners and running. Can you imagine the sight of her running? Can you imagine a relay team of Erin and her sister?

Erin spreads her pussy and gets ready to give way to her sister. "I like to dress sexy and show how busty I am," she said. "That gets me a lot of attention, and I like it." She's going to like it even more when she sees the comments she's bound to receive from *V-mag* readers. And now, finish enjoying Erin and get ready for Helen.

Vmag DEBUT

HELEN STAR

BUSTY SISTER ACT, PART TWO!

"I like to dress sexy, but no matter what I wear, my boobs show," said Helen Star, Erin's big sister (they're a year and a half apart). "That's okay because I like a lot of attention and it's fun to see a man losing his mind over my cleavage." It's double the cleavage, double the fun when both girls walk down the streets of Bucharest, Romania, where they live and enjoy being webcam models. And since Helen is 21 and Erin is 20, their boobs are still growing!

Helen and Erin are the first sisters in well over 20 years of *V-mag*, and there's definitely a boob resemblance. Helen was bustier than Erin in high school. Erin caught up, but Helen's no slouch with those beautiful G-cups. Helen likes to sing in the shower while playing with her tits and pussy. Multi-tasking!

BARE FACTS

Helen Star

Birthday: November 1, 1995
Height: 5′6″ **Weight:** 112 lbs.
Bra: 36G **Measures:** 42-26-36

Perky, fun-loving Helen started developing when she was 14. She enjoys hanging out with her friends and going to the movies. She wants to travel, and we're sure a lot of you guys would love to take her around the world. We asked her if she has any fetishes, and she said, "I haven't discovered any yet, but there is still time." We have a new fetish. It's called busty sisters!

PAIGE TURNER

IT TAKES TWO TO HANDLE PAIGE!

Bambino, lucky guy, is worshipping Paige's G-cup naturals, and she's about to go down on his cock when…bam! Paige's guy, Jimmy, walks in. Unlucky guy? Not exactly because with a girl like Paige, there's always room for two. One to suck her tits while the other plays with her pussy. One to fuck her mouth while the other fucks her pussy. For Paige, it's not a matter of jealousy. It's a matter of making everyone happy. Herself. Her two guys. And you, of course.

We asked Paige, one of 2016's top newcomers, if fucking on-camera changed her, and she said, "Yes. It made me freakier and hornier. I love watching my videos when I'm home. I watch them by myself. I love blow jobs and tit-fucking." Paige had had threesomes but not while being filmed. "I love having fun with multiple men," she said.

"I love my tits," Paige said, and it's clear that Jimmy and Bambino love her tits, too, considering the way they glazed them. "I was picked on in school because I was so busty. Girls can be mean, but I think they are one of my best features and I'm very happy with them. I like the attention I get. I've always had a high sex drive, but now it's stronger than ever." We're glad *V-mag* has made a difference in her life.

KITTY CUTE

A HOLIDAY IN ROMANIA...JUST IMAGINE.

First the Star sisters, now another Romanian newcomer with a pretty face and big, fat tits? When's the next flight to Bucharest, because we want to be on-board! "When I was offered a chance to pose for *Voluptuous*, I was happy to accept," Kitty said. "I am in very good company with so many beautiful girls of all nationalities." Yeah, all nationalities, but these days, especially Romania. Can you imagine the sights on Victoriei Street in Bucharest on a warm day?

Vmag
DEBUT

"I get a lot of attention," Kitty said. "I feel fortunate. I began to get large breasts at age 13, and I was easily the girl with the biggest chest." Kitty enjoys hanging out with friends and going out. She's a casual girl who's comfortable in jeans and a T-shirt. "I would like to learn to drive," she said. The sight of a shoulder strap splitting Kitty's cleavage…just imagine! "I think it's nice that men pay so much attention to my breasts."

NATHALY CHERIE

SHE'S PREGNANT AND FUCKING!

Here's Czech chick Nathaly with a baby belly, and she's horny. No surprise there. How do you think she got pregnant in the first place? By some lucky guy fucking her sweet pussy and cumming deep inside, that's how. Now, Nathaly getting pregnant is a bit of a surprise because she's a porn star, and porn stars usually take extra precautions to keep from getting preggers. But not this time. And the main benefit of Nathaly getting pregnant: bigger tits!

BARE FACTS

Nathaly Cherie

Birthday: January 25, 1992
Age: 25 **Height:** 5′6″
Weight: 132 lbs. **Bra:** 30DD
Lives: Czech Republic
Occupation: Porn star
Previous appearance: July ′17
Movie: *Preggos & Milkers 3* (XXX-Rated and available on page 99).

"I get all the good sex in porn I could ever get," Nathaly said. "Men, girls. The only thing I don't like is anal. Everything else is great. Pregnancy only made me hornier, and now guys don't have to worry about getting me pregnant, so they can fuck me even more and cum even more, even inside my pussy if they want!" Sounds like a win-win situation for everyone. Now, as you're about to see, this guy doesn't cum inside Nathaly's pussy. He cums on it. "I like that, too!"

"I am very horny all the time," said Nathaly, who describes herself as a romantic. "I was that way before I became pregnant. That is one of the reasons I became a porn star. I have enjoyed all my sexual fantasies in my porn life. I like to play with myself when I am home alone." We like to play with ourselves when we're home alone and looking at Nathaly. "I like knowing that I make so many men hard. I want them to cum for my pictures." Cumming right up!

V-MAIL

Continued from page 18

Cup and the like–became yesterday's news to me. I completely stopped buying them. In all honesty, I also almost stopped buying *SCORE*, but its occasional sprinkling of new pictorials of V-Girls kept me around. To this day, the annual all-naturals issue of *SCORE* is a regular purchase.

But back to the magazine and what it's meant to me. I've seen you write about a community of big-boob lovers. *Voluptuous* has made me feel like I am part of that community. Even though I've never met any of your readers, I feel like they're friends when I read their letters in "V-Mail." When a regular letter writer stops appearing, I wonder why and wish I could reach out to him. Although this is my first letter to "V-Mail," I want all of the readers out there to know that I consider them friends.

As for the girls, what more can be said? Beauty, personality, sex appeal… these girls make life worth living. And there are always new girls coming along to keep things fresh. These days, I'm very much enjoying Milly Marks, Codi Vore and Amaya May.

I was disappointed when *V-mag* switched to six times a year, but I'm happy that you're still around and will hopefully be around for a long time. I'm now buying *SCORE* almost every issue to get my "fix," so to speak, even though life has been good these days and I don't need to rely on the girls and the other readers for that pick-me-up.

I don't have any suggestions or requests other than to keep on keeping on. A world without *V-mag* would be a much sadder place, indeed.–C.H., Escondido, California

A READER RANKS THE TOP 20 V-GIRLS OF THE DECADE

Dear *Voluptuous*,

I know there are still three years to go, but I thought I'd get ahead of the crowd and list my top 20 girls from 2010 to the present. I'm only counting girls who debuted from 2010 or later.

20. Tiggle Bitties. I love her expressions, but I especially love her floppy tits and gaping pussy and asshole.

19. Codi Vore. Great newcomer. Has the potential to move up much further, especially if she goes further.

V SPOT

FRESH OFF THE RACKS!

BY DAVE ROSENBAUM

THE GLORY HOLE

Vanessa Y.'s hottest scene ever!

Most readers don't send letters to "V-Mail" and most *SCORELAND* and *XLGirls.com* members don't comment on the photos and videos. They simply jack, cum, stick their cocks back into their pants and go on with their days.

So it was absolutely mindblowing when a photo set and video of two-time Model of the Year Vanessa Y. in a glory hole scene attracted a wave of comments, far more than any photo set or video in recent memory.

And what was Vanessa doing in that glory hole? Jacking, tit-fucking and sucking fake cocks. Not real cocks. Fake ones.

Can you imagine the reaction we'd get if Vanessa ever went all the way with a real cock? (Something we hope for but will probably never happen.)

Said RoadRunner, "Hottest scene and model I've seen in years."

Said another member, "Best sex scene I've seen in quite a long time, even though Vanessa is not making it with real cocks. Stunningly incredible. These take sex videos to an amazing new level of hotness. Even better than the real thing?"

Maybe. After all, when Vanessa is jacking, sucking and tit-fucking real cocks, there's no jealousy factor.

Here are some photos from that posting. You can see the full set and the video at Scoreland.com. Her new pictorial starts on the next page.

The cocks coming out of those glory holes are fake, but Vanessa Y.'s lust is real. If this is the only way we're going to see Vanessa jacking and tit-fucking, we're perfectly satisfied.

A GIRL WHO WEARS GLASSES

Ready, aim, fire your load onto newcomer Kat Bailey's glasses and big naturals.

The old saying, "Guys don't make passes at girls who wear glasses," never would have come into usage if more of those glasses-wearing girls looked like Kat Bailey.

This 46-32-40 hottie from Oklahoma makes her debut in the Fall '17 issue of *XL Girls*, available now where you buy adult mags.

Kat, who toys herself with an old-fashioned vibrator, is one of three newcomers in this issue, joining brickhouse Katie Black and big-assed Sarah Jane.

This issue also features Alaura Grey's first tit-fuck and blow job scene. Plus Angel Sweets taking it up the ass. Plus Jordynn LuXXX fucking two guys. Plus a never-before-published set of Dors Feline, who has one of the greatest natural racks ever. She gets her tits nice and wet so you can imagine sliding your cock between them.

As for Kat, we asked her if she has any special talents, and she said, "I can cum over and over and over."

You'll cum over and over and over when you see the girls in this issue. See if you can cum on Kat's glasses!

Check it out. If you prefer, you can also get the print and digital editions online at eBoobStore.com.

VANESSA Y.

HORNY, BOUND AND GLORIOUS

Here's two-time reigning Model of the Year Vanessa Y. all tied up and ready to go with a pair of mystery hands having their way with her. Vanessa is also the reigning champion when it comes to receiving positive comments at Scoreland.com. As one member said, "Vanessa can make any man cum by looking at you with those green eyes and a one-minute stroking session. She is so not-of-this-earth and so naturally talented everywhere. Vanessa forever!"

BARE FACTS

Vanessa Y.

Birthday: January 24, 1979
Age: 38 **Height:** 5′6″
Weight: 142 lbs. **Bra:** 36F
Measurements: 42-26-38
Previous appearances: May ′17, July ′16, Sept. ′15 and more
Movies: *SCORELAND Awards, Bush Babies, XL Girls On Location* and *All Stacked, All Natural 6* (X-Rated. Available on page 99).

These days at Scoreland.com, Vanessa is receiving rave reviews for sucking and tit-fucking fake cocks so expertly that nobody's clamoring for her to do it with a real cock (something she says she'll never do). She's making those plastic dicks seem real. And here, she's showing off the assets that have made her an all-time great: those big, natural hangers; the ultra-hairy pussy; and those eyes. What a babe! "It gives me satisfaction that men enjoy me," she said.

The fake hands have taken a rest–or maybe they're off in the corner jacking a real cock–and Vanessa takes control. Is there a V-Girl who's better at spreading her pink wide? We don't think so. The girl just has the touch, and just imagine what that touch would feel like on your cock. "Yes, I will have sex on the first date," said Vanessa, who says life back home in Poland can get a little boring. "It depends on the situation and the man." Are you the man?

STARRING 18 OF YOUR FAVORITE BIKINI BUSTERS

CODI VORE

HITOMI

Summertime and the livin' is easy when your favorite V-Girls are parading around your local beach or pool wearing bikinis that barely contain their massive natural boobage. Codi Vore is putting her top to the test, and J-cup Hitomi is embellishing the scenery in sunny L.A. Leanne is a picture of pulchritude in Puerto Vallarta, Mexico.

LEANNE CROW

Some may say, “Those bikinis don’t fit.” We say, “They’d fit the average girl, but these girls are not average.” It’s impossible for them to find a bikini top that prevents their tits from overflowing… even if they wanted to find one. To the left and at the bottom, Cat in Miami and Aurora in L.A. Alexya (right) enjoys a spa day in Prague. Below, Charley Green, Leanne Crow, Michelle Bond and Angela White from an historic shoot in St. Maarten in 2011.

MILLY MARKS

We defend the right of any V-Girl to go to a public pool wearing bikinis like the girls are kinda-sorta wearing here without having to hear snide, jealous remarks from the lesser-chested women at the pool. We defend the right of every V-Man to gawk to his heart's content as these girls jiggle around the pool, side and bottom cleavage everywhere. So what if newcomer Milly Marks decides to wear a bikini top that was designed for a B-cupper? She's just enjoying the hot weather. Right.

VANESSA Y.

LIZA BIGGS

VALORY IRENE

Through the years, The SCORE Group has prided itself on doing on-locations shoots in gorgeous, tropical locations, but the girls on this spread prove that if a girl is packing cleavage like they are, the background and location are merely embellishments. Vanessa Y. is our two-time Model of the Year. Rachel Raxxx is our 2016 Newcomer of the Year. Liza Biggs and Valory Irene are looking beautiful in Miami. Yeah, we said Miami. Didn't care, did you?

NATASHA SWEET

WET, SOAPY NATURALS...SWEET!

Women…ya gotta love 'em (especially those with big tits). Either they're a bit oblivious at times to the ways of the male of the species or they just let us get away with more than we deserve to get away with. Said Natasha, one of 2017's top newcomers, "Many men compliment me about my walk when I am dressed in a tight dress and high-heels." Her walk? Is that what they're complimenting her on? Good grief! Or does "Nice walk" beat "Nice tits"?

Yeah, the male of the species…ya gotta love us, too. One of Natasha's admirers actually said "Someone needs to get her pregnant and her huge boobs full of milk!" Can tits ever be big enough for some big-boob lovers? Natasha's naturals are huge! If they ever filled up with milk, she'd probably tip over. We love her just the way she is, turning us on with one helluva shower show.

18. Alexya. An absolute beauty. I'd have her higher if her tits were bigger.

17. Paige Turner. What a brickhouse! She is what stacked 'n' packed is all about, and she fucks!

16. Amaya May. Ditto.

15. Samantha Lily. Very underrated. Real girl-next-door with great tits.

14. Gya Roberts. Incomparable self-sucking skills. Horny as all fuck. Loved her pussy-shaving scene.

13. Rachel Raxxx. Black 'n' stacked to the max, and she's only a teen.

12. Natasha Sweet. I'm falling in love with those giant hooters. I think if I do this list a year from now, she's going to be rated much higher.

11. Siri. Incredible curves. What an ass! And she does hardcore, which also gets additional points from me.

11. Terri Jane. What a brickhouse! Believe it or not, I think she doesn't get the attention she deserves, which I'm proving now by only putting her at No. 11.

10. Melissa Manning. I love when girls-next-door like her show their tits for all the world to see. It's so unexpected, which makes it better.

9. Milly Marks. She's only 20 and she's definitely on her way to greatness. Keep in mind, also, that she's young and her boobs might still be growing.

8. Elle Flynn. Yes, I have her in my Top 10, partly because I fucked her when I went to Nevada recently. Best experience of my life. But even before that, I held her in high regard because she's also a girl-next-door who does the nastiest stuff on-camera.

7. Hitomi. She's a little thin for my tastes, but it's hard to resist those giant knockers, especially on an Asian girl.

6. Demmy Blaze. Give some respect to this GND with some of the fullest, heaviest tits you're ever going to see. If she ever shows her pussy, she's going to be a superstar, and if she fucks on-camera, then she'll shoot to No. 1.

5. Maserati. Another girl who deserves a lot more respect than she gets.

4. Miosotis. Biggest tits ever on the thinnest body ever.

3. Jennica Lynn. Bodacious tits. What more can I say?

2. Leanne Crow. Beautiful superstar.

MILLY MARKS

THOROUGHLY BANGING MILLY!

School is back in session, and it looks like this lucky guy is in like Flynn with busty schoolgirl Milly Marks. Milly can teach a guy a few things about playing with big tits, and in this case, her teacher is a very willing student. "I started to develop in elementary school, long before the majority of the girls my age did," Milly told us. "I was definitely known as the girl with the biggest titties in school. I definitely had some funny nicknames because of them."

"A couple of years ago, I was told that if you're going to fuck someone, you have to give it your all and be the best fuck they've ever had," Milly said. "I guess it stuck with me." Milly's definitely giving her all in our studio. This is the third consecutive issue she's been in after debuting in July '17 and going tit-to-tit and pussy-to-pussy with Codi Vore in Sept. '17. And here's a not-so-secret for you: She also did her first on-camera threesome with two guys. And her first anal!

The sex was amazing and the fact that it was being recorded made it that much more erotic for me. I did fantasize about doing porn but never thought it was an actual possibility. I love it and am so glad I have had the opportunity to do it. I could get used to this.” We could get used to seeing Milly.
